

I am writing in regard to Christian radio KLOVE, which my family listens to on 89.9 FM. I cannot share in a limited space exactly HOW much KLOVE means to us. KLOVE music serves to encourage me, my husband and our two teenage boys. Knowing this family-friendly station is available for our listening is a great assurance. Rather than hearing beer ads and such as well as the oft times offensive chitchat of DJs on secular stations, my family hears music that increases our faith and DJs who pray openly for and with their audience. I work part-time at a local store and always choose KLOVE to play while I am working. People frequently ask me what station I am listening to and where it can be found on their radio. This only reiterates what having a positive and encouraging station such as KLOVE means to our community, as well as the need for people to have such a station. Please do not take that away from us.
